

# TRUS CRIANZA 2020

## "Harmony"

### VINEYARDS AREA:

Mainly from vineyards in Ribera del Duero region in Burgalesa area. Towns of Moradillo de Roa, Nava de Roa, Roa, La Aguilera, Baños de Valdearados, etc.

### VINEYARDS AGE:

From 20 to 40 years old, at an altitude of 800 to 900 meters above sea level.

### SOILS:

Mainly clay-limestone soils.

### CHARACTERISTICS OF THE VINTAGE:

2020 vintage was a longer than usual year.. Rainfall was higher than the annual average, which meant that it was very important to manage plant yields differently. Berries were larger than those harvested in 2019, but reached optimum ripeness during the month of September thanks to the work carried out in the field to control each vine production as well as in each vineyard.

### CARACTERÍSTICAS DEL VINO:

Alcoholic fermentation with gentle pumping over and temperature control were managed. After malolactic fermentation, the wine is aged for 12 months in different barrels. Natural stabilization is carried out before bottling followed by gentle filtering. Bottled 18 months after harvesting..

### TASTING:

Clean and bright; cherry red in colour with garnet tones in the rim. Medium-high robe. On the nose is intense and complex. Notes of ripe red and black fruit, liquorice, together with hints of its aging in barrels and spices. In the palate it is tasty and greasy and it shows perfect balance between acidity and alcohol. Fresh and enjoyable on the palate with a long finish, hints of ripe fruit, smoke and spicy appears on the aftertaste. It has soft tannins, delightful and ripe at the same time, giving to the wine some structure, length and longer life. The wine is ready to drink as well as in the next 3-4 years.

**Denomination of origin:**  
**DO Ribera del Duero**

### GRAPE VARIETIES:

100% Tempranillo.

### AGING:

12 months in 225 liter barrels.

### ANALYTICS:

ALCOHOL: 14,5 % VOL.

TOTAL ACIDITY: 4,9g/l in tartaric  
PH 3,65.
